ADMINISTRATION'S NOTE

During Term 2 at JIA, an atmosphere of positivity and collaboration flourished as our dedicated team and hardworking students came together to organize a series of enjoyable events such as Let's Connect, Saudi Founding Day, sports tournaments, Career Day, and many more. Our extracurricular program was filled with a variety of activities like football, gymnastics, music, and art.

Together, we celebrated achievements, embraced challenges, and forged lasting memories, creating a vibrant and inclusive environment where every member of our school community thrived.

We aim to capture the essence of our dynamic environment and look forward to witnessing the growth and achievements of our students as they continue their educational journey with us.

The best is yet to come!

**With warmest regards,
